MASSAGES

DEED-TISSUE AND RELAXING MESSAGES

45 min/\$950

Body massage aromatic creams and massage oils which help to reduce mental and physical fatigue, relax the body, and lighten the mood.

FULL BODY MASSAGE

60 min/\$1100

Similar to the deep-tissue and relaxing massages, but covers the whole body.

HOT AND COLD STONE MASSAGE

60 min/\$1100

Recommended for persons who need to alleviate certain body aches and pains. The stones provide an instant relief and promote total body relaxation. The stones are used in a static manner at pressure points, as well as in dynamic massage maneuvers.

BEAUTY TREATMENTS

MUD THERAPY

60 min/\$1200

Take advantage of the curative properties of earth and water. The mud is packed into the body and left to act on the skin.

BODY POLISH

45 min/\$990

The best treatment for renewing and refining the skin. It consists of a thorough exfoliation process with products that remove dead skin cells and impurities.

LYMPHATIC LEGS DRAINAGE

45 min/\$990

This therapy works as a treatment for injuries or abnormalities of the vascular system, associated with fluid accumulation in different parts of the body. Lymphatic drainage is a gentle massage which stimulates the normal flow of the lymphatic system.

SPA DAYS – Packages

Different packages specially designed for the wellness including beauty treatments, massages and relaxation treatments.
